

Natick Citizens Leadership Academy

**We're pleased to accept your application for the fall 2017 evening session now.
All interested citizens are encouraged to apply.**

The Town of Natick's Citizens Leadership Academy is a 10 week class designed to enhance citizen understanding of town government operations and for municipal leaders and citizens to learn from one another through conversation.

Graded an "A" by nearly all who have participated, our Alums are quite enthusiastic about the program:

- "I knew it was a good town, now I know it's a great town."
- "I loved every second of it! It was a great use of my time."
- "This is hard to say, but in almost every class there was something that really stuck with me."
- "Authentic conversations with people who have the real answers..."
- "An overall wonderful experience."
- "A really good overview of town operations."
- "Connecting faces with names. Now I know who to call."

We welcome you to join our family of Alums!

Classes will generally be held on Wednesday evenings from 6:30-9:00 pm at various locations around town. All sessions will be facilitated by town staff who will provide learning experiences that are interactive, interesting and informative.

The program is free of charge and open to anyone who lives or works in the Town of Natick.
