New feature added to website – Who is Hiring?
Entry-Level Certification

- Any time you are hiring from an entry-level eligible list or roster; permanent full-time or temporary full-time, you must enter a requisition in the system.

- You will also need to enter a requisition when requesting to participate in a promotional exam.

- Your Civil Service contact will take action on the request within 24 hours, “Opening” the certification and referring out candidates based on the number of vacancies. Any hires must be within PAR (2N+1) where N is the number of vacancies.
Entry-Level Certification

• A PDF of the certification will be sent to you by email from your Civil Service contact. You will also be able to view it in your online account.

• Civil Service will wait for confirmation that you have received the new certification and printed it out before notifying the candidates.
  • Signing period is 5 business days
  • Active duty military candidates who cannot appear in person should indicate their interest in the vacancy to your department in writing.
Entry-Level Certification

• After the signing period has ended, it is up to the discretion of the AA whether or not to allow candidates to indicate their interest late.
  • Please make sure that you are consistent with how you handle these scenarios.

• After the signing period is completed, please update the system by indicating the candidates that “Failed to respond to the Notice of Vacancy,” taking these candidates out of consideration for PAR.
Entry-Level Certification

• An entry level certification is allotted 12 weeks to be processed.

• If your process takes longer than that, please document an extension locally explaining how much additional time is needed and what still needs to be completed.
Entry-Level Certification

• At the end of the hiring process, update all candidates in the system with the appropriate designations (Hired, Bypassed, Willing to Accept- Not Reached on list, etc.). Make sure to click “Save and Submit” when entering hires.

• Attach a copy of the Notification of Employment form and the signed certification to the requisition for the current hiring process. You can do this by editing the requisition and selecting “Attachments.”

• You may also attach any other associated documentation if you want to keep it all together with the certification.

• Please note, candidates for entry level hiring for Police and Fire must take and pass the Initial hire medical exam and Physical Abilities Test (PAT) as conditions of hire.
